The Peanuts gang comes to life in this revised edition of the classic Peanuts comic by Charles M. Schulz.

The struggles of growing up are revealed in a series of vignettes that take us through the pressures of fitting in and making good grades at school, falling in love and pursuing your dreams, and letting go while still holding on. You will learn that the true meaning of happiness is finding joy in the simplest of things.

Casting Six Adults: DTC has a non-discrimination casting policy, open to members of all races, sexes, creeds, and orientations. All roles are open.

Auditions will consist of pre-taped singing only. For Information on **what to prepare, the audition application**, and where to send materials, visit the audition page on the DTC website at www.damascustheatre.org
